***Discussion Items***

**4. Review of Project Applications 11:06 – 38:02**

*This item is a Discussion Item.*

11:19 | *Jackson County presentation of the Old Stage Road Project.*

18:11 | *Grants Pass presentation of the Allen Creak Project.*

23:50 | *Grants Pass presentation of the Alley Paving Project.*

25:49 | *Josephine County Transit presentation of the Transit Hub.*

31:56 | *Discussion of distribution of the funds. Jackson County agreed that they had only submitted for a project because they thought that money might be left over. If that is not the case since Jackson County was the only recipient of STBG funds during the last call for projects, they would gracefully withdraw their application.*

*This leaves the two parties of Josephine County Transit and the City of Grants Pass. JCT had only one submittal – the bus transfer station, and Grants Pass had identified two projects: alley paving and additional funds for the Allen Creek Road project.*

*Mr. Welzenbach proposed that, since this item was for discussion only and no decision could be acted on at this time perhaps Grants Pass could identify one specific priority and if so there would be sufficient funds for both JCT and Grants Pass.*

**5. Public Comment 38:02 – 41:14**

*Provided by Lesley Orr on the success of the Ride the Rogue.*

***Regular Updates***
