

**AGENDA**  
**Middle Rogue Metropolitan Planning Organization**  
 Citizens Advisory Committee

**Date: Thursday, January 12, 2023**

**Time: 2:00 p.m.**

**Join In-Person**

**Location:** Ridge Room Conference Room, Grants Pass City Hall, 101 NW A St, Grants Pass, OR

**Transit:** Served by JCT Routes #10, 20, 35, 40, 50, 80 and 100. Paratransit services are available for qualified individuals.

**Contact:** RVCOG: 541-423-1375

**Website:** [www.mrmppo.org](http://www.mrmppo.org)

**Or via Zoom**

**Meeting ID:** 813 3455 6208

**Passcode:** 339016

**Phone #:** +1 669 444 9171

**Zoom Link:**

<https://us06web.zoom.us/j/81334556208?pwd=eHNjU0dSeGt3UE9sbjQxQy9RK1NDdz09>

IN COMPLIANCE WITH THE AMERICANS WITH DISABILITIES ACT, IF YOU NEED SPECIAL ASSISTANCE TO PARTICIPATE IN THIS MEETING, PLEASE CONTACT RVCOG, 541-664-6674. 48 HOURS ADVANCE NOTICE IS PREFERABLE, AND WILL ENABLE US TO MAKE REASONABLE ARRANGEMENTS

**Action Items**

**3. Amendment to the 2021-2024 TIP**

**Ryan MacLaren**

**Background:** The CAC is being requested to make a recommendation on the proposed amendments to the 2021-24 TIP. The 21-day public comment period and public hearing was sent on or before Thursday, December 29, 2022, in the *Medford Mail Tribune*, the *Rogue River Press* and the *Grants Pass Courier* and information is currently available on the MRMPO website.

**Attachments:** [#2 TIP Amendment Memo](#)

**Action Requested:** Recommendation to the Policy Committee

# AGENDA

Middle Rogue Metropolitan Planning Organization  
Citizens Advisory Committee

## Discussion Items

### 4. Carbon Reduction Program Funding

Karl Welzenbach

Background: Included in the recently passed federal transportation bill, the Infrastructure, Investment and Jobs Act (IIJA) is a new program fund called the Carbon Reduction Program Fund. These funds, although allocated to the urbanized areas, will be administered by the Oregon DOT. Included for your information with this agenda packet are the final project selection criteria and the draft application form. The annual available amount for the Grants Pass Urbanized area is \$135,000.

Attachment: [#3 Fact Sheet](#) [#4 Small Urban/Rural Criteria](#)  
[#5 Urbanized Area Suballocations](#) [#6 Application](#)

### 5. Fund Exchange

Karl Welzenbach

Background: Due to a shortfall in state gasoline tax revenues and an increase in required matching amounts to federal funds from the IIJA, the State DOT has decided to reduce the availability of funds for fund exchange. Each small MPO will now have available only \$250,000 to exchange for STBG funds.

### 6. Chapter One of the Regional Transportation Plan (RTP)

Ryan MacLaren

Background: The MRMPO CAC is invited to review Chapter 1 of the 2020-2045 RTP in advance of the development of the 2024-2049 RTP. The process of reviewing and updating the RTP will begin in February, and this is an opportunity to get refamiliarized with the current version and begin thinking about potential changes. Chapter 1 features an updated layout and design for review, but the content has not been changed.

---

### Scheduled Meetings

MRMPO TAC	February 2, 2023	1:30 p.m.
MRMPO CAC	February 9, 2023	2:00 p.m.
MRMPO Policy Meeting	January 19, 2023	2:30 p.m.

All meetings are available in-person and online via Zoom unless otherwise noted.

**Summary Minutes**  
**Middle Rogue MPO Citizens Advisory Committee**  
**November 10, 2022**

The following attended:

Voting Members	Representing	Phone Number
Lesley Orr	Active Transportation	
Trent Carpenter	Freight	659-9681
David West	Grants Pass	659-9681
Judy Garrett	Grants Pass	659-9256
Fred Saunders, Vice Chair	Josephine County	659-0169
Dick Converse	Josephine County	659-8401
David Leverenz	Mass Transit	917-453-8535
Non-Voting Members	Representing	Phone Number
Staff	Representing	Phone Number
Ryan MacLaren	RVCOG	423-1338
Kelsey Sharp	RVCOG	423-1375
Interested Parties	Representing	Phone Number

[MRMPO CAC November 10, 2022 Agenda Packet](#)  
[Full meeting recording: 11/10/2022](#)

- 1. Call to Order / Introductions / Review Agenda 00:00 – 00:50**  
 2:01 p.m. | Active Transportation, Grants Pass, Josephine County, Mass Transit

- 2. Review/Approve Minutes 00:50 – 01:38**

**01:02** | *David West moved to approve the September 8, 2022 RVMPO CAC Meeting Minutes as presented. Seconded by Judy West.*

*No further discussion.*

*Motion passed unanimously by voice vote.*

## ***Action Items***

### **3. Amendments to the 2021-2024 Transportation Improvement Program (TIP) 01:38 – 11:20**

**08:31** | *Fred Saunders moved to recommend approval of the amendment to the 2012-2024 TIP. Seconded by Lesley Orr.*

*Further discussion on how the Public Hearing is advertised.*

*Motioned passed unanimously by voice vote.*

### **4. Amendment to the UPWP 11:20 – 16:57**

**16:29** | *David West moved to recommend approval of the amendment to the 2012-2024 TIP. Seconded by Fred Saunders.*

*No further discussion.*

*Motioned passed unanimously by voice vote.*

## ***Discussion Items***

### **5. Public Comment 16:57 – 17:27**

No Comments received.

## ***Regular Updates***

### **6. MPO Planning Update 17:27 – 22:50**

*Updates provided by Ryan MacLaren regarding new MPO staffing.*

### **7. Other Business / Local Business 22:50 – 41:03**

*New CAC member, and updates on Ride the Rogue.*

### **8. Adjournment**

2:41 p.m.

#### **Scheduled Meetings:**

MRMPO Citizens Advisory Committee | December 8, 2022 | 2:00 p.m.  
MRMPO Technical Advisory Committee | December 15, 2022 | 1:30 p.m.  
MRMPO Policy Committee | November 17, 2022 | 2:30 p.m.

**Middle Rogue**  
**Metropolitan Planning Organization**  
**Regional Transportation Planning**

Gold Hill • Grants Pass • Rogue River • Jackson County • Josephine County • Oregon Department of Transportation

**DATE:** December 29, 2022  
**TO:** MRMPO Citizens Advisory Committee  
**FROM:** Ryan MacLaren, Senior Planner  
**SUBJECT:** TIP Amendment(s)

The CAC is being asked to make recommendations to the Policy Committee on the proposed TIP amendment(s) described below. The Policy Committee will hold a public hearing at 2:30 p.m. on Thursday, January 19, 2023 to consider adoption of the proposed TIP amendment(s). A press release for the 21-day public comment period and public hearing was sent on or before December 29<sup>th</sup> to the Medford Tribune, Rogue River Press, Grants Pass Daily Courier, and information is currently available on the MRMPO website. Information on the new project is enumerated, below:

**A. Add Project to TIP: *Galls Creek (Lampman Rd) Bridge (KN23163)***

Description: Replace the existing bridge to meet current standards.

Project Name	Project Description	RTP Project Number	Air Quality Status	Key #	Federal Fiscal Year	Phase	Federal		Federal Required Match		Total Fed+Req Match	Other		Total All Sources
							\$	Source	\$	Source		\$	Source	
<b>Jackson County</b>														
Galls Creek (Lampman Rd) bridge	Replace the existing bridge to meet current standards.	n/a	Exempt (40 CFR § 93.126 Table 2) - Safety, Widening narrow pavements or reconstructing bridges (no additional travel lanes).	23163		Planning					\$ -			\$ -
				23163	2023	Design	\$ 729,236	IJA	\$ 83,464	Local	\$ 812,700			\$ 812,700
				23163	2025	Land Purchase	\$ 56,799	IJA	\$ 6,501	Local	\$ 63,300			\$ 63,300
						Utility Relocate					\$ -			\$ -
				23163	2026	Construction	\$ 2,563,855	IJA	\$ 293,445	Local	\$ 2,857,300			\$ 2,857,300
						Other					\$ -			\$ -
				Total FFY21-24			\$ 3,349,890		\$ 383,410		\$ 3,733,300	\$ -		\$ 3,733,300

## CARBON REDUCTION PROGRAM (CRP)

	FAST Act (extension)	Bipartisan Infrastructure Law (BIL)				
Fiscal year	2021	2022	2023	2024	2025	2026
Contract authority	---	\$1.234 B*	\$1.258 B*	\$1.283 B*	\$1.309 B*	\$1.335 B*

\*Calculated (sum of estimated individual State Carbon Reduction Program apportionments)

Note: Except as indicated, all references in this document are to the Bipartisan Infrastructure Law (BIL), enacted as the Infrastructure Investment and Jobs Act, Pub. L. 117-58 (Nov. 15, 2021).

### Program Purpose

The BIL establishes the Carbon Reduction Program (CRP), which provides funds for projects designed to reduce transportation emissions, defined as carbon dioxide (CO<sub>2</sub>) emissions from on-road highway sources.

### Statutory Citation

- § 11403; 23 U.S.C. 175

### Funding Features

#### Type of Budget Authority

- Contract authority from the Highway Account of the Highway Trust Fund, subject to the overall Federal-aid obligation limitation.

#### Apportionment of Funds

- As under the FAST Act, the BIL directs FHWA to apportion funding as a lump sum for each State then divide that total among apportioned programs.
- Each State's CRP apportionment is calculated based on a percentage specified in law. [23 U.S.C. 104(b)(7)] (See "Apportionment" fact sheet for a description of this calculation)

#### Transferability to Other Federal-aid Apportioned Programs

- A State may transfer up to 50% of CRP funds made available each fiscal year to any other apportionment of the State, including the National Highway Performance Program, Surface Transportation Block Grant Program, Highway Safety Improvement Program, Congestion Mitigation and Air Quality Improvement (CMAQ) Program, National Highway Freight Program, and **[NEW]** Promoting Resilient Operations for Transformative, Efficient, and Cost-saving Transportation (PROTECT) Formula Program. Conversely, subject to certain limitations, a State may transfer up to 50% of funds made available each fiscal year from each other apportionment of the State to CRP. [23 U.S.C. 126(a)] (See other program-specific fact sheets for additional details.)

## Suballocation

- 65% of a State's CRP apportionment is to be obligated in the following areas in proportion to their relative shares of the State's population. [§ 11403; 23 U.S.C. 175(e)(1)(A)] Funds attributed to an urbanized area may be obligated in the metropolitan area established under 23 U.S.C. 134 that encompassed the urbanized area [23 U.S.C. 175(e)(2)]:
  - *Urbanized areas with an urbanized area population greater than 200,000*: This portion is to be divided among those areas based on their relative share of population, unless the Secretary approves a joint request from the State and relevant MPO(s) to use other factors. [§ 11403; 23 U.S.C. 175(e)(1)(A)(i) and (e)(3)]
  - *Urbanized areas with an urbanized area population of at least 50,000 but no more than 200,000*: This portion is to be divided among those areas based on their relative share of population, unless the Secretary approves a joint request from the State and relevant MPO(s) to use other factors. [§ 11403; 23 U.S.C. 175(e)(1)(A)(ii) and (e)(3)]
  - *Urban areas with population at least 5,000 and no more than 49,999*. [§ 11403; 23 U.S.C. 175(e)(1)(A)(iii)]
  - *Areas with population of less than 5,000*. [§ 11403; 23 U.S.C. 175(e)(1)(A)(iv)]
- The remaining 35% of the State's CRP apportionment be obligated in any area of the State. [§ 11403; 23 U.S.C. 175(e)(1)(B)]
- Requires each State, over the period of FY22-26, to make available to each urbanized area with a population of at least 50,000 obligation authority for use with the suballocated CRP funding. [§ 11403; 23 U.S.C. 175(e)(6)] States are required to divide the funding to urbanized areas with a population of at least 50,000 based on the relative population of the areas. [23 U.S.C. 175(e)(3)]

## **Federal Share**

- In accordance with 23 U.S.C. 120. (See the "Federal Share" fact sheet for additional detail.) [§ 11403; 23 U.S.C. 120 and 175(f)]

## **Eligible Projects**

- CRP funds may be obligated for projects that support the reduction of transportation emissions, including, but not limited to— [except as noted, § 11403; 23 U.S.C. 175(c)(1)]
  - a project described in 23 U.S.C. 149(b)(4) to establish or operate a traffic monitoring, management, and control facility or program, including advanced truck stop electrification systems;
  - a public transportation project eligible under 23 U.S.C. 142;
  - a transportation alternative (as defined under the Moving Ahead for Progress under the 21<sup>st</sup> Century Act [23 U.S.C. 101(a)(29), as in effect on July 5, 2012]), including, but not limited to, the construction, planning, and design of on-road and off-road trail facilities for pedestrians, bicyclists, and other nonmotorized forms of transportation;
  - a project described in 23 U.S.C. 503(c)(4)(E) for advanced transportation and congestion management technologies;
  - deployment of infrastructure-based intelligent transportation systems capital improvements and the installation of vehicle-to-infrastructure communications equipment;
  - a project to replace street lighting and traffic control devices with energy-efficient alternatives;
  - development of a carbon reduction strategy developed by a State per requirements in 23 U.S.C. 175(d);

- a project or strategy designed to support congestion pricing, shifting transportation demand to nonpeak hours or other transportation modes, increasing vehicle occupancy rates, or otherwise reducing demand for roads, including electronic toll collection, and travel demand management strategies and programs;
- efforts to reduce the environmental and community impacts of freight movement;
- a project that supports deployment of alternative fuel vehicles, including—
  - acquisition, installation, or operation of publicly accessible electric vehicle charging infrastructure or hydrogen, natural gas, or propane vehicle fueling infrastructure; and
  - purchase or lease of zero-emission construction equipment and vehicles, including the acquisition, construction, or leasing of required supporting facilities;
- a project described in 23 U.S.C. 149(b)(8) for a diesel engine retrofit;
- certain types of projects to improve traffic flow that are eligible under the CMAQ program, and that do not involve construction of new capacity; [§ 11403; 23 U.S.C. 149(b)(5); and 175(c)(1)(L)]
- a project that reduces transportation emissions at port facilities, including through the advancement of port electrification; and
- any other STBG-eligible project, if the Secretary certifies that the State has demonstrated a reduction in transportation emissions, as estimated on a per capita and per unit of economic output basis. (Note: FHWA will issue guidance on how the Secretary will make such certifications.) [§ 11403; 23 U.S.C. 133(b) and 175(c)(2)]

#### Coordination in Urbanized Areas Other Than Transportation Management Areas

Before obligating CRP funds for an eligible project in an urbanized area that is not a transportation management area, a State shall coordinate with any MPO that represents the urbanized area prior to determining which activities should be carried out under the project. [§ 11403; 23 U.S.C. 175(e)(4)]

#### Consultation in Rural Areas

Before obligating CRP funds for an eligible project in a rural area, a State shall consult with any regional transportation planning organization or MPO that represents the rural area prior to determining which activities should be carried out under the project. [§ 11403; 23 U.S.C. 175(e)(5)]

### **Program Features**

#### Carbon Reduction Strategy

- Requires each State, in consultation with any MPO designated within the State, to— [§ 11403; 23 U.S.C. 175(d)]
  - develop a carbon reduction strategy not later than 2 years after enactment; [§ 11403; 23 U.S.C. 175(d)(1)] and
  - update that strategy at least every four years; [§ 11403; 23 U.S.C. 175(d)(3)]
- Requires the carbon reduction strategy to—
  - support efforts—and identify projects and strategies—to support the reduction of transportation emissions;
  - at the State’s discretion, quantify the total carbon emissions from production, transport, and use of materials used in the construction of transportation facilities in the State; and
  - be appropriate to the population density and context of the State, including any MPO designated within the State. [§ 11403; 23 U.S.C. 175(d)(2)]

- Allows the carbon reduction strategy to include projects and strategies for safe, reliable, and cost-effective options to—
  - reduce traffic congestion by facilitating the use of alternatives to single-occupant vehicle trips, including public transportation facilities, pedestrian facilities, bicycle facilities, and shared or pooled vehicle trips within the State or an area served by the relevant MPO;
  - facilitate use of vehicles or modes of travel that result in lower transportation emissions per person-mile traveled as compared to existing vehicles and modes; and
  - facilitate approaches to the construction of transportation assets that result in lower transportation emissions as compared to existing approaches. [§ 11403; 23 U.S.C. 175(d)(2)(B)]
- Requires FHWA to—
  - review the State’s process for developing its carbon reduction strategy and certify that the strategy meets statutory requirements; and
  - at the request of a State, provide technical assistance in the development of the strategy. [§ 11403; 23 U.S.C. 175(d)(4) and (5)]

#### Treatment of Projects

- Treats every project funded under the program as if it were located on a Federal-aid highway. This ensures applicability of Davis-Bacon wage requirements. [§ 11403; 23 U.S.C. 175(g)]

#### **Additional Information and Assistance**

- FHWA can connect you with your local FHWA office and support you with technical assistance for planning, design, construction, preserving, and improving public roads and in the stewardship of Federal funds. For assistance, visit:  
[https://www.fhwa.dot.gov/bipartisan-infrastructure-law/technical\\_support.cfm](https://www.fhwa.dot.gov/bipartisan-infrastructure-law/technical_support.cfm)

## Carbon Reduction Program

### Small Urban and Rural Program; Project Eligibility Criteria

Eligible projects will:

- Reduce transportation greenhouse gas emissions
- Meet FHWA Carbon Reduction Program eligibility criteria,
- Be deliverable with federal funding,
- Support an existing statewide, regional, or local plan,
- Provide required local match, and
- Strive to meet Justice40 goals that 40% of benefits accrue to disadvantaged communities

Selection Criteria:

Eligible projects will be evaluated on the following criteria;

1. **Climate Benefits (60 pts)** – Does the project effectively reduce emissions from transportation?
  - a. Will the project result in a direct reduction of transportation emissions, or will the project lead to mode shift or the use of less carbon intensive transportation options? *Projects that can show a more direct or a highly probable reduction (rather than potential reduction) will receive more points. Projects that incorporate carbon reduction strategies during construction only or as a minor component of a larger project will be considered for those components only. ODOT will consider funding these projects if they are part of pilot programs that will lead to systemic changes in the agency's project delivery process. The agency must explain why the larger project budget is not sufficient to incorporate these components without CRP funding.*
  - b. Explain when emissions reductions from the project will occur. Will emissions reductions happen quickly or be achieved over a longer time frame? Will the emission reductions be monitored and reported? *Projects that deliver the reductions sooner and that show benefit over a longer time frame will receive more points.*
2. **Local Support and Engagement (10 pts)** – What is the level of community commitment and support for the project? *Please attach or link relevant supporting documentation and plan citations. Letters of support from local jurisdictions, community groups, and other local agencies may also be used as supporting documentation.*
  - a. What community engagement efforts informed development or identification of the project? Is support demonstrated from relevant partners?
  - b. How will the community know the desired outcomes were achieved?
3. **Equity (10 pts)** – Does this project mitigate impacts from emissions or reduce barriers and increase benefits to historically disadvantaged communities? Geographic and demographic considerations, individual project elements, and Justice40 benefits will be considered. *Please attach or link any relevant supporting documentation and plans. ODOT Social Equity Map and other tools are available.*

- a. Does the project provide benefit to communities identified by Justice40 criteria? How will this project provide benefits to historically disadvantaged community members?
4. **Opportunities and Innovation (10 pts)** – Will this project provide for new opportunities to reduce emissions, include innovative components, expand multimodal or micro-mobility options, or target parts of the sector that have been slower to decarbonize?
  - a. Does this funding create opportunities for future investments and actions that expand the initial emissions reduction benefits? Does the project or application build off or support other effective carbon reduction projects?
  - b. Will this project create or encourage emissions reductions beyond what are already expected through existing plans, projects and funding opportunities?
5. **Project Readiness (10 pts)** – Does the agency have a plan for implementation, construction and/or maintenance of the project?
  - a. Does the applicant and local jurisdiction guarantee any required staff time, operations, and maintenance for the project after completion?
  - b. What is the certainty from a cost and risk perspective? Are there uncertainties including, but not limited to; right of way acquisition; bridge, structure, or rail impacts; environmental review; utility relocation or drainage modifications; supply chain; and overall feasibility?

## 23USC175(e)- Table 19

	Urbanized Area	Population	Sub-allocation
<b>Oregon</b>	Albany	56,997	\$153,394
